"This rope has handles on both sides so the children walk side by side rather than all in a line. This decreases the length of the line the teacher must supervise."

Janet, Florida

"Definitely durable. Have had one for almost 2 years and have used for both toddlers and preschool students."

Anthony, Illinois

"Walks are so much more enjoyable!!! No more "waiting for the rest of the group" or "hustle up"....everyone grabs a color and away we go. Fun way to work on colors too."

Katie, Minnesota

"Used for three years thus far and still going strong!"

Lashada, DC

"Thumbs up for our new walking rope. It's awesome!!"
